

Stop Racism Toward East Asians

Due to the coronavirus pandemic, more East Asians are being targeted and treated poorly due to racism.

“If their family never immigrated here, we wouldn’t have this problem.”

“We’re all being quarantined because of YOU!”

“Don’t go near them! They’re Asian. That means they have the coronavirus.”

“You caused all of this!!!”

“You caused all of this because you can’t stop eating bat.”

“We don’t want you people here.”

“Go back to China, and take your virus with you!”

“How does it feel knowing that you spread a virus across the world?”

“Eat normal food like everyone else!”

“Stay away from me! I don’t want your stupid virus.”

“Stop eating dogs, you weirdos.”
