Dear Parents/Guardians,

Thank you for supporting your child/student in applying for the Live Well, Take Action: Ambassador Program for East Asian Youth! The school has been selected to host this after-school program that aims to engage East Asian youth in learning about wellness and how it can have significant impacts on self, others and society as a whole. The program will run 8 weekly workshops (Feb. – Apr. 2020) that will focus on topics, such as identity, culture, history, civic engagement and equity issues. Through arts, film and online platforms, students will then create community projects that will be publicly showcased during May 2020.

For more information, visit our website at livewelltakeaction.com or contact one of the program managers. You may also reach out to the teacher liaison(s) who work at the school.

If possible, please remind your child/student that the **deadline for application forms is Friday, January 17th, 2020**. Thank you again for your support!

Best Regards,
